Aubrey McClendon

Chairman & CEO

Chesapeake Energy Corporation

Aubrey K. McClendon has served as Chairman of the Board, Chief Executive Officer and a director since co-founding the Company in 1989. From 1982 to 1989, Mr. McClendon was an independent producer of oil and gas in affiliation with Tom L. Ward. Mr. McClendon graduated from Duke University in 1981.

Chesapeake Energy knows the peaks and valleys of the oil and gas business. The independent exploration and production company concentrates on building natural gas reserves through acquisitions in the US mid-continent region. This region accounts for the vast majority of the company's estimated proven reserves of 7.5 trillion cu. ft. of natural gas equivalent, but Chesapeake also has assets along the Gulf Coast, in the Permian Basin, and in the Ark-La-Tex region. In 2005, in a major move, the company acquired [Columbia Natural Resources](#) for \$2.2 billion.

Reservations are required. You may register on-line at: <https://bus.cba.utulsa.edu/fof/reg.asp> or contact Judy Adair at 631-2588 or judy-adair@utulsa.edu.
