Membership

Last year we had membership of 429. This year our membership goal is 500. We will be working very hard to meet this ambitious goal by encouraging everyone who was a member last year to renew their membership and all former members who were not members last year to once again become members. If you are a TU graduate within the last twelve months, your membership fee is only $10. If you live outside of the Tulsa area (more than 50 miles) your membership fee is only $10. Membership fees support all of the expenses associated with Friends of Finance. Remember, we are developing some “members only” events. Show your support for FOF, The Collins College of Business, and TU by joining today.

To renew your membership or join, go to https://collinssecure.utulsa.edu/fof/Application.aspx. Encourage your friends and colleagues to do the same. Friends of Finance is the largest and strongest finance group in Oklahoma and the Southwest. Your membership will help us maintain our leadership position. Members since our last newsletter are below. For a complete list of members (306), please go to: https://collinssecure.utulsa.edu/fof/Members/

Terry Wright (MSF ’08) has accepted a position as Wholesale Supply Analyst at Entrust Energy in Houston. Terry was previously at PNM Resources in New Mexico. Terry’s current role involves making daily decisions regarding buying/selling power to hedge the retail portfolio. A typical day involves kicking off the load forecast process, analyzing weather data and previous ERCOT settlement data, and then trying to choose an optimal hedging strategy.

Executive Luncheon Sponsors

If your firm would like to gain some additional recognition and support FOF, it is now possible to be designated as a Friends of Finance Executive Luncheon Sponsor. A Luncheon Sponsor would receive recognition in our newsletter, recognition at the meeting on PowerPoint slides prior to the meeting, recognition from the podium, and a table for eight at one luncheon with preferential seating. One member of the sponsoring firm will be seated at the Head Table with the speaker. The Luncheon Sponsorship is for one meeting. The cost to sponsor the luncheon is $2,500. Take-A-Student to Lunch

One goal of Friends of Finance is to assist our students. Assistance may be in the form of employment advice, employment opportunities, and mentoring. One way to do this is to participate in our Take-A-Student to lunch program. Just contact Judy Adair at 631-2588 or judy-adair@utulsa.edu and tell her how many students you would like to host. She will arrange for the student(s) to meet you at the registration desk for the luncheon. Please ask for the student(s) when you check in.
Corporate Sponsors

A Corporate Sponsorship provides a table for eight at each luncheon with preferential seating; recognition in each newsletter; recognition at each meeting on PowerPoint slides prior to the start of each luncheon, a listing on a display board at each luncheon, and recognition from the podium at a number of the luncheons.

To ensure that individual members have adequate seating the Board has limited the number of Corporate Sponsors to fifteen.

Corporate Sponsors make a $3,800 commitment to Friends of Finance. If you are interested in having your company participate, contact Judy Adair at 918-631-2588 or judy-adair@utulsa.edu for details. Corporate Sponsors for this year are:

Corporate Finance Series

No matter how the mission statement defines your company or organization and regardless of your other goals for the year, business is about the bottom line. That means everyone needs some understanding of finance. If you are an engineering manager making budget decisions, a vice-president, an operations or division manager making strategic decisions, you need to have a good understanding of financial analysis and decision making.

The Center for Executive and Professional Development is pleased to partner with Friends of Finance to deliver this Tuesday-evening finance series for multiple knowledge levels:

**Level 1: Show Me The Cash!** Oct. 9-Nov. 13, 2012
A basic financial management course that stresses the flow of cash through the organization. Connections between business decisions, financial statements, and cash flows and balances are emphasized. (Pre-requisite: Four-hour Zodiak Simulation to learn financial lingo and basic financial statements, or another finance overview course.)

This intermediate course in financial management continues the emphasis on cash flow with a focus on the future and forecasting. The program will equip any manager with the ability to understand and apply the analytical tools and decision models.

**Level 3: Is There Any Money? To be announced.**
This decision-oriented course addresses advanced topics in finance that senior financial professionals face. Apply classic theory of capital structure to optimize shareholder value and discriminate between competing capital investments, using discounted cash flow models.

As a budget analyst, risk officer, auditor, compensation specialist, HR director or other departmental leader—you need a good working knowledge of financial management. Begin with the basics in Level 1 and move to the advanced in Level 2. And if you work for a financial institution or are a senior leader, pursue Level 3.

**Good news:** As a member of Friends of Finance you automatically receive a $95 discount by using the group code FOF on the registration page. Companies with multiple enrollees should call for addition discounts.

Series faculty include: Dr. J. Markham Collins, Bartlett Foundation Professor of Business Finance and faculty director of Friends of Finance; Tally Ferguson Director of Risk Management at Bank of Oklahoma Financial; and Dr. Anila Madhan, Assistant Professor of Finance.
