Archie Dunham, ConocoPhillips Board Chairman, will be this year’s Friends of Finance lead off speaker. Dunham was named president and CEO of Conoco in 1996 and was Chairman and CEO from 1999 to 2002. He was instrumental in Conoco’s IPO separation from DuPont.

He serves on many boards including the George Bush Presidential Library Foundation and the Commission on National Energy Policy and National Infrastructure Advisory Council. He received a BS degree in geological engineering and an MBA from the University of Oklahoma.

Dunham will be speaking on corporate leadership and the challenges facing ConocoPhillips and the energy industry. Register early to ensure a seat. We have reached the point where we are pushing the limits of our seating capacity.

Prior to the merger of U.S. West and Quest, Janice Stoney served as an executive vice-president for U.S. West. She will be discussing the telecommunication industry with us.

Corporate Sponsors

Last year we had the generous support of ten Corporate sponsors – Anonymous, Bank of America, Bank One, Merrill Lynch, The Nordam Group, Northwestern Mutual Financial Network, Oxley Petroleum Co., Samson Investment Company, Smith Barney, and Williams. This year the Board has decided to limit the number of corporate Sponsorships to ten. They want to ensure that individual members have adequate seating. Corporate Sponsors for this year are:

A Corporate Sponsorship provides a table for eight at each luncheon with preferential seating; recognition in each newsletter; recognition at each meeting on PowerPoint slides prior to the start of each luncheon, a listing on a display board at each luncheon, and recognition from the podium at a number of the luncheons.

The annual cost of a Corporate Sponsorship is $2,500. If you are interested in having your corporation join, contact Judy Miller at 631-2588 or judy-miller@utulsa.edu for details. She will add you to our waiting list. Last year’s sponsors are being given first chance at being a 2003-04 sponsor.

Take-A-Student to Lunch

One goal of Friends of Finance is to provide assistance to our students. Assistance may be in the form of employment advice, employment opportunities, and mentoring. One way to do this is to participate in our Take-A-Student to lunch program. Just contact Judy Miller at 631-2588 or judy-miller@utulsa.edu and tell her how many students you would like to host. She will arrange for the student(s) to meet you at the registration desk for the luncheon. Please ask for the student(s) when you check in.
E-Mail

If you are still receiving a paper copy of the newsletter and would like to go electronic, please contact Judy Miller at (918) 631-2588 or judy-miller@utulsa.edu. Our electronic format takes you to the newsletter on our website. We do not send it as an attachment.

Power Speakers

Lee Scott
CEO, Wal-Mart
FOF Speaker April, 2000

No. 16
Ken Lewis
Chairman & CEO
Bank of America
FOF Speaker, December, 1999

We would like to get more of the top 25. If you have connections to any of these, please contact Craig Loseke, 591-1213 or closeke@samson.com or Roger Bey, 631-2946 or beyrp@utulsa.edu.

## Student Investment Fund

After more negative quarters than we care to mention, the SIF had a good first seven months. YTD performance through July 31, 2003 was 13.79% versus 13.73% for the S&P 500. The market value of the fund is $584,000+. This year $25,000 in scholarships have been awarded to 17 students. This is the largest number of dollars ever awarded in a single year. The number of scholarship recipients also is the largest ever. Your generosity is influencing a significant number of students. Thank you.

### MS in Finance

The MS in Finance (MSF) program has had outstanding success. Last spring we had 27 students in the program with an average GMAT score of 620 which is competitive with the top 10 percent of all MBA programs. For Fall 2003 our projections are that both the number of students and their average GMAT scores will increase.

One aspect of the MSF program is a corporate internship program where corporations sponsor a student(s). The students work half-time and go to school about half-time. Students are compensated for hours worked and have 50 percent of their tuition covered by their sponsor. BOK, Samson, and Williams are all part of this program.

Ten students have graduated from the MSF program. Six of these have found employment, one has entered a Ph.D. program, one has returned to her home country, and two are seeking employment. In this very tight labor market our students have done very well.

The program has been a great way for firms to have access to the very best students. A number of students have been hired by their corporate sponsors. If you have any interest in participating in the internship program, contact Roger Bey at 631-2946 or beyrp@utulsa.edu.
