Corporate governance and business ethics have been major topics in the business news as top executives at some major corporation have been indicted and charged with illegal activities. Janice Stoney, retired executive vice-president of U.S. West and current director of Williams Companies, will address these issues in her presentation titled “One Corporate Director’s Perspective.”

Prior to serving as executive vice-president of U.S. West, she served as president of the U.S. West Communications Consumer Division and president and CEO of Northwestern Bell. In 1994, Mrs. Stoney was the Republican nominee from Nebraska for the U.S. Senate. She was one of the National Co-Chairs for Finance and the Nebraska Chair for Finance for the Dole for President Campaign in 1995 and 1996.

Register today and invite a guest to hear a most timely presentation on an important business issue.

We are attempting to move to electronic distribution as much as possible. Therefore, even if you don’t plant to join, send us your e-mail address so that we can continue to communicate with you. It is an easy way to support FOF by reducing both our costs and our effort. Contact Judy Miller at (918) 631-2588 or judy-miller@utulsa.edu. Our electronic format takes you to the newsletter on our website. We do not send it as an attachment.

One goal of Friends of Finance is to provide assistance to our students. Assistance may be in the form of employment advice, employment opportunities, and mentoring. One way to do this is to participate in our Take-A-Student to lunch program. Just contact Judy Miller at 631-2588 or judy-miller@utulsa.edu and tell her how many students you would like to host. She will arrange for the student(s) to meet you at the registration desk for the luncheon. Please ask for the student(s) when you check in.

Keith Nodskov, a finance major, recently was named one of the 2004 graduating class Outstanding Seniors. In addition to majoring in finance, Keith has a second major in economics and a minor in mathematics. Keith has been very active on campus. He was a Senator in the Student Senate; President, External Vice-President, Pikefest Chairman, and Scholarship Chairman of his fraternity, Pi Kappa Alpha; President and Treasurer of the TU Economic Society; Freshman Orientation Leader; and President of Omicron Delta Kappa.

Keith has received numerous awards including: placing 3rd in the National Leadership Conference; National Merit Finalist; TU Presidential Scholar; TU Top Ten Freshman Award; FEI Scholastic Honors Award; and Mortar Board. He has enhanced his classroom experience by working as a Sales Associate for the Sports Authority and a Tax Intern for CITGO Petroleum.

Keith’s plan is to obtain employment after graduation; work a few years; and return to graduate school. We are proud of Keith and congratulate him on all of his achievements.
Corporate Sponsors

Last year we had the generous support of ten Corporate sponsors – Anonymous, Bank of America, Bank One, Merrill Lynch, The Nordam Group, Northwestern Mutual Financial Network, Oxley Petroleum Co., Samson Investment Company, Smith Barney, and Williams. This year the Board has decided to limit the number of corporate Sponsorships to ten. They want to ensure that individual members have adequate seating. Corporate Sponsors for this year are:

THE WILLIAMS COMPANIES FOUNDATION, INC.

OPC Holdings LLC

A Corporate Sponsorship provides a table for eight at each luncheon with preferential seating; recognition in each newsletter; recognition at each meeting on PowerPoint slides prior to the start of each luncheon, a listing on a display board at each luncheon, and recognition from the podium at a number of the luncheons.

The annual cost of a Corporate Sponsorship is $2,500. If you are interested in having your corporation join, contact Judy Miller at 631-2588 or judy-miller@utulsa.edu for details. She will add you to our waiting list.

**Membership Committee Activities**

Friends of Finance promotes the benefits of membership among the regional business community and The University of Tulsa student body. Over the past several years, the Membership Chairperson has coordinated these activities. The 2003-2004 year has seen the addition of a Membership Committee to oversee these activities.

The Membership Committee members are: Dan Doyle (Dollar Thrifty Automotive Group); Lindsey Barrows (Bank of Oklahoma); MaryBeth DeWitt (PennWell); Joseph Redman (Rooney Engineering); Rick Martich (WilTel Communications); Judy Miller (The University of Tulsa); and Dr. Roger Bey (The University of Tulsa). The Committee’s accomplishments to date include:

- A calling and email campaign to enlist individuals (i.e. “captains”) at Tulsa/regional employers who will promote Friends of Finance activities and membership at their respective companies.
- An email campaign to spread the word about Friends of Finance among undergraduate and graduate students on The University of Tulsa campus.
- The coordination of a shuttle service at Friends of Finance luncheons to help alleviate parking congestion.
- Development of a member contact database for participating members.

The Membership Committee is exploring additional activities to both promote Friends of Finance and enhance the benefits of membership. Friends of Finance is your organization, and the Membership Committee welcomes your input and suggestions. Please submit any input or suggestions to Judy Miller [judy-miller@utulsa.edu](mailto:judy-miller@utulsa.edu) or 631-2588 for consideration by the Membership Committee.
Finance Excellence Fund

The first Finance Excellence Fund (FEF) campaign was carried out in 1990. Six members contributed $6,000+. Since then, the drive has had excellent growth with 152 members contributing almost $100,000 last year. All FEF gifts are placed in the Student Investment Fund (SIF). Earnings from the SIF have funded almost $100,000 in scholarships for 75 students.

Gifts to the FEF provide two sets of returns. The first return is the great learning opportunity students have in managing the SIF. The second return is the scholarships students receive from SIF earnings. We know of no other charitable gift with two sets of return. Hence, follow the investment maxim of maximizing your return for a given level of risk – contribute to the FEF. Your intrinsic returns will be maximized.

We have 24 donors and $16,000+ to date. Honor roll members for 2003-04 are.

Friends of Risk

A couple of years ago, a small group of individuals interested in risk management, formed an organization called Friends of Risk (FOR). FOR is devoted to providing discussions on a very wide range of risk management topics. A few of the past topics have been: “EMT’s Management of Risk”, Mike Selman & Phil Chesson; “Credit Risk”, Tally Ferguson & Brent Saffell; “Role of Risk Management at Koch Industries”, Michael Hoffman; “Risk Management Issues in the Health Care Industry”, Jane Sharpe; “Reputational Risk: How to Manage It”, Chris Cameris & Russ Florence; “Measuring and Analyzing Risk”, Ken Parker; “Multi-Commodity Contracts and Risk Management”, Travis Brock; “Weather Derivatives for Agricultural Commodities”, Ron Eliason.

There are no membership fees. A modest luncheon fee is charged. Meetings are generally on Fridays. If you would like to be added to our e-mail distribution list for FOR meeting announcements, contact Judy Miller at judy-miller@utulsa.edu or 631-2588.
