

## Timothy Coburn, PhD

Investigation of predictive estimation approaches to resource estimation in unconventional oil and gas plays. 2016-17. Funded research, US Geological Survey.

Energy infrastructure management in light of today/s changing global dynamics. 2016. Oral presentation, International Conference on Energy Infrastructure & Management, Ahmedabad, India.

Intelligent energy asset & information management. 2015. Oral presentation, PennEnergy Conference, Houston, TX.

A field study of human factors and vehicle performance associated with PHEV adaptation. 2016. *Energy Policy*, v. 93, pp. 265-277 (with B. C. Farhar, Renewable and Sustainable Energy Institute; D. Maksimovic and W. A. Tomac, University of Colorado).

<http://www.sciencedirect.com/science/article/pii/S0301421516300969>

A further investigation of local nonparametric estimation techniques in shale gas resource assessment. 2014. In *Mathematics of Planet Earth, Proceedings of the 15<sup>th</sup> Annual Conference of the International Association of Mathematical Geosciences* (E. Pardo-Iguzquiza, C. Guardiola-Albert, J. Heredia, L. Moreno-Merino, J. J. Duran, and J. A. Vargas-Guzman, eds.): Berlin, Springer, pp. 621-624. (with E. D. Attanasi and P. A. Freeman, US Geological Survey). [http://link.springer.com/chapter/10.1007%2F978-3-642-32408-6\\_135#page-1](http://link.springer.com/chapter/10.1007%2F978-3-642-32408-6_135#page-1)

Energy infrastructure: progress, needs, challenges, & opportunities in India and comparative economies. 2014. Oral presentation, International Conference on Energy & Infrastructure, Ahmedabad, India.

Perspectives on training a new generation of energy business leaders. 2014. Oral presentation, Natural Education Summit (Vibrant Gujarat): Towards Educating Young India, Gandhinagar, India.

The evolving energy workforce landscape: economics, technical, and generational change. 2014. Oral presentation. Spring Technical Meeting, The Combustion Institute, Tulsa, OK.

## Daniel Crunkleton, PhD., JD

Production and characterization of algae extract from *Chlamydomonas Reinhardtii*. 2014. *Electronic Journal of Biotechnology*, v. 17, pp. 14-18 (with W. Kighlinger, K. Chen, A. Pourmir, G. Price, and T. Johannes, University of Tulsa). <http://www.sciencedirect.com/science/article/pii/S0717345813000043>

## Linda Nichols, PhD, CPA

Royal Dutch Shell versus ExxonMobil: their corporate agility in the industry downturn. *Petroleum Accounting and Financial Management Journal*, forthcoming.

Impact of the current economic environment on international contracts. 2016. Oral presentation, Energy & Technology Conference, New Orleans, LA.

A study of the perceptions of traits important to success in the accounting profession by US versus international accountants. 2016. *International Journal of Business and Applied Social Science*, v. 2, pp. 51-56. <http://ijbassnet.com/storage/app/publications/56d3c51633b0a11456719126.pdf>

Falling prices and the full cost controversy. 2015. *Oil, Gas and Energy Quarterly*, v. 64, pp. 1-8.

After the fifth filing year allowing for the optional disclosure of probable reserves: where do we stand? 2015. *Oil, Gas and Energy Quarterly*, v. 63, pp. 395-406.

The proposed lease accounting standard: a problem for the oil and gas industry. 2014. *Oil, Gas and Energy Quarterly*, v. 62, pp. 639-648.

The appropriateness of units-of-revenue depletion in the current pricing environment. 2014. *Oil, Gas and Energy Quarterly*, v. 62, pp. 449-456.

### Buford Pollett, JD

Offshore energy. 2016. Advances in Earth Science: Offshore Energy. Congressional webinar series, sponsored by American Geosciences Institute (AGI), Washington, DC

Responding to litigation and arbitration over disputed gas supply agreements, Parts A & B. 2016. Oral presentation, Natural Gas Supply Chain Workshop, Energy Utility Partnerships Program (EUPP), US Energy Association (USEA), Arusha, Tanzania.

Introduction to fiscal regimes. 2016. Oral presentation, Natural Gas Supply Chain Workshop, Energy Utility Partnerships Program (EUPP), US Energy Association (USEA), Arusha, Tanzania.

Offshore energy—historical perspective. 2016. Advances in Earth Science, Congressional briefing series, sponsored by the American Association of Petroleum Geologists (AAPG), Washington, DC.

### Ron Ripple, PhD

The dynamics of returns on renewable energy companies: a state-space approach. 2015. *Energy Economics*, v. 48, pp. 325-335 (with S. Truck, Macquarie University; and J. Inchauspe, Curtin University). <http://www.sciencedirect.com/science/article/pii/S0140988314002989>

China's natural gas projection and constraint of energy mix. 2015. Oral presentation, International Association for Energy Economics (IAEE), International Conference, Antalya, Turkey (with Y. Fang and Q. Ji, Chinese Academy of Science; L. Feng and Z. Sun, China University of Petroleum; M. Troilo, University of Tulsa). <http://www.iaee.org/en/publications/proceedingsabstractpdf.aspx?id=12802>

OPEC: Dominant firm-competitive fringe-revisited. 2015. Oral Presentation International Association for Energy Economics (IAEE), Latin American Conference, Medellin, Columbia. <http://www.iaee.org/en/publications/proceedingsabstractpdf.aspx?id=12687>

International natural gas market integration. 2014. *The Energy Journal*, v. 35, pp. 159-179 (with R. Li, Hong Kong Polytechnic University; and R. Joyeux, Macquarie University). [https://www.iaee.org/ej/ejexec/EJ%2035-4\\_07%20Raymond%20Li%20ExecSummary%2012-069%20Templated-1.pdf](https://www.iaee.org/ej/ejexec/EJ%2035-4_07%20Raymond%20Li%20ExecSummary%2012-069%20Templated-1.pdf)

Link between endowments, economics and environment in conventional and unconventional gas reservoirs. 2014. *Fuel*, v. 126, pp. 224-238 (with R. F. Aguilera; Curtin University; and R. Aguilera, University of Calgary). <http://www.sciencedirect.com/science/article/pii/S0016236114002117>

The Asia-Pacific natural gas market: large enough for all? 2014. *Energy Policy*, v. 65, p. 1-6 (with R. F. Aguilera and J. Inchauspe, Curtin University).

<http://www.sciencedirect.com/science/article/pii/S0301421513010343>

The geopolitics of Australian natural gas development. 2014. Geopolitics of Natural Gas. White Paper, Belfer Center for Science and International Affairs, Harvard Kennedy School and Baker Institute for Energy Studies, Rice University, pp. 1-41. <http://belfercenter.ksg.harvard.edu/files/CES-pub-GeoGasAustralia-011414.pdf>

Australia emerging as top LNG supplier. 2014. *The Oil & Gas Journal* (May 5), pp. 116-121.

### Tom Seng, MBA

Current status of US LNG exportation. 2016. Oral presentation. Gas Processor's Association Annual Convention, New Orleans, LA.

US poised to export LNG. 2015. *The American Oil & Gas Reporter*, v. 58, pp. 99-102.

Impact of shale gas on pipeline infrastructure. 2015. Oral presentation. American Association of Professional Landmen Annual Meeting, Nashville, TN.

US LNG exportation. 2015. Oral presentation. Gas Processor's Association Annual Convention, San Antonio, TX.

### Roger Stern, PhD

Oil scarcity ideology in US foreign policy, 1908-1997. 2016. *Security Studies*, v. 25, pp. 214-257.
